CBS MBA Alumni Society: NEWSLETTER - DECEMBER 2009

Chairman's update

As it has been published in the press, it is now a fact that CBS Executive will merge with SIMI and thereby become the largest MBA-school in Northern Europe. Such a move will not only cement our school's position as market leader, it will also create opportunities for our Alumni Society. We will also grow in size and strength and thereby reach the critical mass to organize more specialized events that are not cost-effective today.

The challenge, of course, will be to overcome the "us and them" thinking and to use the combined resources of both organizations to make even more interesting events and networking opportunities for all our members. We look forward to creating synergies with the SIMI alumni network in the future and we will let you know more, when we know more! For the moment we continue the planning of our usual MBA Alumni activities which you will find more about below. I

Now it is time now to wish you all a merry Christmas and a happy New Year – we look forward to seeing you at next year's events!

Social event

Xmas party and celebration of MBA of the Year 2009

On 21 November 100 of our members gathered in Hotel Imperial for the annual Christmas party. Apart from the good company of old class mates and the traditional and delicious food, we also celebrated the nomination of this year's MBA of the Year.

The jury chose Peter Mægback Madsen

from Chapter 10 as MBA of the Year based on a true MBA success story where Peter turned his MBA strategy project in a successful business which he subsequently sold for a fortune.
